#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. BURNS:

S. 1218. A bill to direct the Secretary of the Interior to issue to the Landusky School District, without consideration, a patent for the surface and mineral estates of certain lots, and for other purposes; to the Committee on Energy and Natural Resources.

##### THE LANDUSKY SCHOOL LOTS TRANSFERS

• Mr. BURNS. Mr. President, I rise today to introduce a piece of legislation that is extremely important to a small town in north central Montana. Landusky is a small agriculture community just south of the Fort Belknap Reservation and just north of the Charles M. Russell National Wildlife Refuge. Unfortunately, an oversight which may seem small in the eyes of those used to the hustle and bustle of Washington D.C. places the Landusky school district in a difficult position.

The legislation I am introducing today corrects this oversight by conveying the surface and mineral estates of two lots the school has occupied for a number of decades. The legislation is strongly supported by the town of Landusky and the Bureau of Land Management. It is imperative that we move quickly on this legislation. I would like nothing more than to have the students of Landusky return to school this fall with the knowledge that the problems facing a small town in Montana are worthy of our attention and we were willing to move forward and ensure that their school's future is as bright as their own. •
